

BETTER THAN BOUILLON®

Better Than Bouillon® is the most popular food base in the U.S. Our wide selections of food bases are the only products you'll need to create a broad variety of delicious food items – from soups and sauces to appetizers and entrées.

Premium Bases

Better Than Bouillon® Premium Bases are available in many flavors, to meet your unique cooking needs. Made from real meat, seafood or vegetables, Better Than Bouillon® Premium Bases can be used as a timesaving shortcut when preparing stock.

Our Premium Bases are offered in Chicken Base, Beef Base, Vegetable Base, Ham Base, Mushroom Base, Chili Base, Clam Base and Fish Base.

All-Natural Reduced Sodium Bases

Better Than Bouillon® All-Natural Reduced Sodium Bases offer great taste, easy preparation, and meet the needs of today's health-conscious consumer. Satisfy your recipe and menu requirements by using a premium-quality food base that's delicious, easy to use and designed around flavor, not salt.

Our All-Natural Reduced Sodium Bases are offered in All-Natural Reduced Sodium Chicken Base, All-Natural Reduced Sodium Beef Base and All-Natural Reduced Sodium Lobster Base.

Organic Bases

Better Than Bouillon® has created a line of Organic Food Bases for applications that require organic ingredients. These bases offer the same great taste and quality of our premium food bases, and are certified organic.

Our Organic bases are offered in Organic Chicken Base, Organic Beef Base and Organic Vegetable Base.

Vegan Bases

For specialized applications that meet specific dietary requirements, Better Than Bouillon® offers a line of certified vegan food bases. These bases can be used as a substitute for meat in recipes that call for beef or chicken.

Our Vegan Bases are offered in No Chicken Chicken Base, No Beef Beef Base and All-Natural Reduced Sodium Vegetable Base.

Global Bases

Some Like it Hot! Today's consumers are demanding more sophisticated tastes and this is reflected in the growing number of foods that are bolder, spicier and more exciting. Better Than Bouillon® Global Food Bases offer flavors that are uniquely targeted to specific regional profiles. These flavorful bases explore ethnic flavor fusion, and help you create signature culinary items..

Our full line-up of flavorful global bases—that includes Mole Base, Fire Roasted Vegetable Base, and others—explores ethnic flavor fusion, and helps you create signature culinary items.
