

LOUISIANA HOT SAUCE

Not too hot, not too mild - and loaded with big time flavor. Louisiana Hot Sauce is great as a condiment on dozens of foods or in your favorite recipes. Our cayenne chili peppers are sun-ripened, carefully selected, handpicked, and aged for at least one year. In addition to our Original Louisiana Hot Sauce, our sauce masters also blend a number of flavored hot sauces using other pepper varieties as well as garlic, onions, and more. Each flavor has its own unique spiciness in addition to a flavor profile designed to tempt the palates of spicy food lovers.
